

Clerk of the Course Decision

Circuit:	Knockhill Racing Circuit Anti-Clockwise	Event Date(s):	12 - 13 September 2026
From:	Rob Briggs (241934)	Clerk of the Course	
Race Title:	Scottish C1 Cup - Race 1		
Time of Issue:	16:20		

Name	ASN	Licence No	Car No
James Nash	MSUK	1008484	95

Brief Details:

A report was received of contact on the last lap at Post 9 (Taylors Hairpin), with the right-front of Car 95 (James Nash) making contact with the left-rear of Car 61 (Ian Cochrane), Car 61 spinning and Car 95 proceeding into the gravel before continuing. Upon investigation by Assistant Clerks of the Course, Richard Crozier and Ross Macfarlane, it was found that Car 95 had indeed made contact with the rear of Car 61. However, representations from the driver of Car 95 (James Nash) and their entrant (Scott Mackenzie, Minimax Motorsport) cited that following an ABS intervention, the brake pedal had gone soft and resulted in loss of retardation midway through the braking phase. The hearing was paused to enable the scrutineers to undertake a full investigation of Car 95 - it was found that while the hydraulic system remained intact, the ABS system was flagging an electrical fault, which would be liable to result in braking behaviour similar to that which the driver described. As such, neither driver could be found to be wholly or predominantly responsible for the collision, and as such it was decided to take No Further Action.

Evidence Relied Upon:

Marshals' report from Post 9, representations from driver of Car 95 (James Nash), driver of Car 61 (Ian Cochrane), entrant of both (Scott Mackenzie, Minimax Motorsport), onboard footage from Cars 95 and 61 (both front facing), and scrutineers' report.

No Further Action

You are reminded of your right of appeal.

Any penalties applied will be reported to the Stewards of the Event for forwarding to Motorsport UK in accordance with NCR Ch.5A App.5 Art.2.4
