James McCracken	MSUK	338167	77

Brief Details:

A written report was received from marshal post 1 regarding contact with front of car 18 into rear of car 77.
In car footage was reviewed from Car 18 where it can be seen to be taking a line to the drivers right of car 77 where sufficient space exists
As car 18 draws alongside the rear bumper of 77, 77 goes to defend position - due to the very slight overlap minor contact is made and car 18 moves briefly two wheels off track to avoid an accident and further contact before returning fully to the track.
Both cars continue alongside each other at this point before 18 completes the pass towards end of the straight.
Investigation carried out by Assistant Clerk of Course, Paul Wilson 193608
In our opinion this incident requires no further action.
